# MS Roald Amundsen

The world's first hybrid-powered expedition ship, MS Roald Amundsen is a masterpiece of design. Public areas and cabins are comfortable and stylish, making generous use of natural materials such as granite, oak, birch and wool. The ship has both indoor and outdoor exercise facilities, a 150-metre outdoor running track, an infinity pool and a dedicated wellness area. Enjoy delicious food from the three restaurants, relax in the Explorer Lounge & Bar, and join lectures in the Science Centre.

MS FRAM IN DISKO BAY, GREENLAND

# MS Fram

As a smaller vessel, MS Fram is highly manoeuvrable and can reach landing sites other ships can't. Delve into the science behind the places you explore in the Science Centre, stay in shape in the gym and relax in the Explorer Lounge & Bar. With two restaurants, a panoramic sauna and on-deck hot tubs, there are plenty of opportunities to indulge yourself, while spacious outside decks allow you to get closer to nature and wildlife as we pass. The comfortable cabins, suites and common areas are adorned with beautiful works from Arctic artists.
