# HAWAII & SOUTH PACIFIC

When you sail the Hawaiian Islands with NCL, there's time to follow rainforest trails to hidden waterfalls, and linger into the evening as the music and warmth of a lū'au unfold around you. With longer stays and overnights, nothing feels rushed.

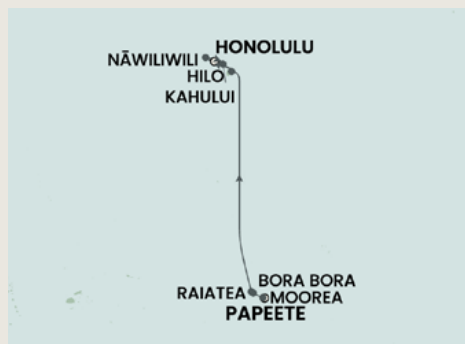

As the only cruise line offering year-round, round-trip sailings departing every Saturday from Honolulu, explore four islands in seven days aboard *Pride of America*®. Unpack once, settle in, and watch each island come alive through lush valleys, volcanic coastlines and golden shores.

If you want to linger longer in the Islands of the Pacific, our sailings through French Polynesia and Hawai'i carry you beyond, to the scent of vanilla in Raiatea and the still, impossible blue waters of Bora Bora.

# ASIA

Set sail in Asia aboard Norwegian Jade®, where exploration unfolds effortlessly and each day settles into the perfect tempo. No two days feel the same when you travel with NCL. You settle in once, then let the experience unfold. It might be taking in Tokyo's Imperial Palace, enjoying some me-time at the Mandara Spa, or finding a moment of calm at Taipei's Longshan Temple—before ending the evening back on board with a show. Culture, calm, a good laugh—NCL makes room for all of it.

Choose from 9 to 14-day sailings across Japan, South Korea and Southeast Asia through 2028, waking each day to somewhere new with seamless departures from Singapore, Hong Kong, Tokyo and more.

This is cruising for those who want to experience Asia at a gentler pace—where every stop invites you to take it in, and every moment feels considered.
