# ROOM SERVICE

## ADDITIONAL ACCOMMODATION FACTS

- ◆ Bedding configuration of three and four-berth rooms may vary, and it may not be possible to have queen bedding when the third and fourth beds (upper bunks) are in use.
- ◆ Some quad interior, oceanview and balcony rooms have twins bed that DO NOT convert to queen. For example: Some quad rooms may contain 2 single beds and 2 upper bunks. If this is the case, the 2 single beds cannot be converted to a queen bed due to the position of the ladders for the upper bunks.
- ◆ Some triple rooms may contain 2 single beds and 1 upper bunk. If this is the case, the 2 single beds cannot be converted to a queen.
- ◆ Some quad rooms have a sofa bed that converts to a double bed, while others have a single sofa bed with 1 upper.
- ◆ Fixed queen-size beds, cannot be converted to twin beds.
- ◆ Some Oceanview rooms have windows obstructed by lifeboats or ship structures. Specifically OV, OW & OY categories on Deck 8.
- ◆ Byron Beach Club entry is limited to guests in select Suite and M1 mini suite rooms only.
- ◆ If guests have limited mobility and require a shower that is not over a bath tub, it is recommended that they book a Limited Mobility Room or Wheelchair Accessible Room. They can also book a Balcony, Oceanview or Interior room as these have a shower only and are easier to step in and out of.
- ◆ Wheelchair accessible rooms are more spacious and have additional features to enable a wheelchair to be used in the room. See page 15 for details.
- ◆ Limited Accessibility rooms and Ambulatory Accessible rooms have additional features in the bathrooms, such as handrails and shower seats, but have standard size doorways, room dimensions and are not wheelchair accessible. These rooms are tailored for guests that have limited mobility and are not confined to a wheelchair.
- ◆ The following rooms on Pacific Encounter & Pacific Adventure are Limited Mobility
  - » **BB** – 11305, 11306, 11308
  - » **BC** – 14303, 14304
  - » **IB** – 11312, 11316, 9312
 All are 2 berths (twin or queen)
- ◆ Cots are available in selected rooms and are not available in any Quad Interior & Quad Oceanview rooms. Cots can also only be added to rooms with a twin bed configuration. Please make sure that this configuration is requested at time of booking.
