THE VIKING STORY

How one man's vision led to a new way to sail

"From the beginning, we have chosen to do things differently. We remain committed to that philosophy as we continue to welcome more curious travellers to experience the Viking way of exploration around the world."

Torstein Hagen, Viking Chairman

WHEN TORSTEIN HAGEN FOUNDED VIKING

in 1997 with four river ships, he had few supporters and even fewer who believed in his vision. He was 54 years old and had spent much of his career in Norway in shipping, bearing witness to an industry that was ripe for change. Our Norwegian-born patriarch had a deep desire to create something different – and as anyone who has travelled with us will tell you, different is exactly what you get on a Viking voyage.

For more than 28 years our Chairman Torstein – who the Viking family knows simply as 'Tor' – has built an award-winning fleet of ships over 80 strong. First, we set the standard for modern river journeys, then we reinvented ocean voyages with the launch of our award-winning small ship voyages and then we

perfected expedition voyages, with our, state-of-the-art expedition ships, *Viking Octantis*, and *Viking Polaris*.

A family-owned and operated business when we began, Viking remains a family-owned business to this day, with Tor ensuring his original vivid Viking vision is upheld with each passing year.

Viking established in 1997 by Torstein Hagen with four river ships. Nine additional river ships purchased in 1998 and operations expand across Europe.

2000

Viking launches four new state-of-the-art Viking Longships.

2015

THE VIKING DIFFERENCE

Meaningful travel, tailored to you

AT VIKING, WE DO NOT TRY TO BE ALL THINGS TO ALL PEOPLE. Rather, our loyal guests continue to choose us every year because of our unique approach to ocean voyages that is defined as much by the things we include, as the things we leave out. Well-travelled and culturally curious, our guests are not interested in over-the-top ships or novel thrills, and neither are we. That's why we forgo things like casinos and black-tie dinners in favour of delivering meaningful experiences, tailored to you.

UNIQUELY VIKING

What makes us so different? We include more, where it matters most.

MORE VALUE

We don't underestimate the importance of good value, so we make sure to include more features and amenities in your cruise fare than other cruise lines. All meals, wine and beer with lunch and dinner, a shore excursion in every port, Wi-Fi, self-service laundries, gratuities and even access to our state-of-the-art spa is part of your Viking fare.

MORE CULTURE

With more time in port and more overnight stays, you'll have ample opportunities to soak up the fascinating culture of every destination you visit. On board, the cultural enrichment continues with educational lectures by destination experts, enough books to fill a library, live performances and meals bursting with local flavours.

MORE SPACE

One of the reasons our guests love our ships is because they cater for no more than 998 passengers. This allows every individual more personal space, including a private veranda in their stateroom, regardless of the cabin category. Our smaller ships are also naturally more nimble, so we can dock in the hard-to-reach places mega-liners can't, getting you closer to every destination.

MORE MEANING

We aren't called The Thinking Person's Cruise for nothing. We know that uncovering the art, food, wine and culture of the places we visit is important to you, so we focus our energy on creating meaningful onboard and onshore experiences that linger in the mind long after you disembark.

MORE STYLE

Our elegant Scandinavian-inspired interiors boasting beautiful blonde wood, clean lines and art-covered walls impress all who feast their eyes upon them.

*“Exploring the world with Viking is different. Finally it’s all about me.
From the ports to the pools to the pastries and even the pillows.”*

Sue H, Viking Guest

FOR THE THINKING PERSON

Created for discerning travellers with true explorer spirits

THEY SAY THAT A CHANGE IS AS GOOD AS A HOLIDAY, but at Viking we think that a holiday can inspire change. We believe travel should be more than just an escape from the ordinary, so when you travel with us you'll not only uncover some of the world's greatest riches, you'll almost certainly discover something about yourself, too.

We offer a myriad of ways for our guests to celebrate on board, from atmospheric bars playing live music to exotic cooking demonstrations and thrilling dance performances. But we also know that many of our guests' most treasured memories are of a much quieter nature: moments of speechless awe while walking in the steps of ancient explorers, or inner quietude while sitting on their private veranda with nothing before them but the wide, blue sea.

EXPLORE, LEARN, UNDERSTAND

Our itineraries have been expertly curated to provide these meaningful moments to our curious, well-travelled guests. Offering greater cultural insight and personal enrichment, we give you opportunities every day of your voyage to engage with your destination through its food, landscapes, culture and history.

Before you travel, we get your inner journey underway by providing you with materials to help you plan and anticipate your voyage. From destination-specific photography advice by professionals to filmographies that inspire wanderlust and recommended reading that informs and enlightens, we begin to broaden your horizons long before you pack your bags.

Once comfortably on board, because we know you always want to learn more, countless activities are on offer that have been designed to educate and inspire. Instead of onboard novelties, we offer world-class lectures on history and art, tastings of vintage wines, restaurant menus inspired by local cuisine and a vast selection of fascinating books, carefully curated in partnership with London's prestigious and historic bookshop, Heywood Hill.

“You’re a firm believer that travel is a wonderful educator but even on guided tours you find it difficult obtaining historic or social nitty gritty without doing the research yourself? Imagine this: roundtable discussions with a resident historian or astronomer, specialised guest lecturers, prerecorded itinerary specific Ted Talks, destination insight films and an on-board museum.”

Jane L, Freelance Travel Writer

ART, HISTORY, CULTURE

With various cultural partnerships in place around the world including with the Metropolitan Opera, Los Angeles Ballet and Los Angeles Philharmonic in the USA, Viking also brings its guests closer to art, history and culture while on shore. You might accompany the ship’s chef on a visit to a local market, step behind the scenes at a famous theatre company, tour a chocolate or car factory or view private collections and hidden vaults at world-class museums.

EMBRACING HYGGE

Underneath all of this excitement and at the root of every voyage is a recognition of hygge (pronounced "hyh-geh") – a Nordic way of life. In embracing our strong cultural roots, we ensure that your inspiring Viking voyage is also one of comfort and contentment. From a peaceful cup of tea enjoyed in The Living Room to that surprising conversation sparked with a like-minded traveller while watching a movie under the stars, our aim is to help you feel more connected – to new friends and the world – on every single voyage. And with more than 500 ports across over 85 countries within reach on our fleet of Viking ocean ships, we’ve never been more easily connected to the rest of the world and the golden discoveries that await there.

Now that’s something to think about.

THE SMALL-SHIP EXPERTS

Intimate voyages that give you more time in port

AT VIKING, we believe bigger doesn't always mean better. Our fleet of small river vessels paved the way for a new standard of intimate yet sophisticated cruising over 28 years ago, and since then we have redefined and refined what it means to sail on a smaller scale. Today, with our award-winning ocean ships that cater to no more than 998 guests, we have solidified our reputation as the small-ship experts as we take our intimate voyages to the high seas.

WE DOCK WHERE OTHER SHIPS CAN'T

Because our vessels are smaller, they have greater manoeuvrability and can dock where the mega-liners that dominate today's ports cannot. On a Viking ship, you will sail into the very heart of some of the world's greatest cities such as London, Hong Kong and Monaco. Boasting prime, central berths in even seldom-visited ports like Kotor, Montenegro and Scotland's Shetland Islands, your ship is always just a short walk from opportunities to discover enriching local experiences to satisfy your inner explorer.

MORE TIME IN PORT

As beautiful as our ships are, we know our exciting itineraries are an integral part of the Viking experience – so we give you more time in port on all ocean voyages, including overnight stays in virtually all ports of embarkation and disembarkation. That means you can take your time meandering through the local markets or enjoying dinner under the stars at that seaside restaurant, without the pressure of rushing back to the ship.

WE MAKE SURE YOU FEEL AT HOME

When you do step on board, it will be onto a ship that feels comfortingly familiar. We proudly own and operate all our ships, with each ocean ship featuring an almost identical, considered interior and offering the same reliable, seamless Viking service we're known for. So whether you're about to journey across the Pacific Ocean or sail the calm azure waters of the Ionian Sea, when you embark on a Viking ship it will always feel like coming home.

VIKING INCLUSIVE VALUE

Everything you need and nothing you don't

WHEN YOU'RE A GUEST ON A VIKING SHIP, we want you to feel at home, so go ahead and leave your wallet in your stateroom. We don't think you should have to spend every time you want a cup of coffee, need to do your laundry or feel like browsing the internet, so we have designed our fares to include as many features and services as possible.

We know how important good value is to our guests, so our fares include everything that you need — like meals and beer and wine with lunch and dinner, shore excursions, Wi-Fi, self-service laundries, onboard gratuities, port taxes and fees.

How can we offer this incredible value? As the world's leading river cruise company, we already have an operational base that permits us certain efficiencies of scale. This applies to the world-wide buying power we leverage when it comes to operational costs, as well as to the significant 'intellectual capital' that exists within our organisation, including our experienced executive management team.

THEN, THERE IS THE EFFICIENT, STATE-OF-THE-ART DESIGN of our ships. Our cleverly laid out, all-veranda staterooms maximise your personal space without wasting an inch of it on novelties and onboard attractions that you'll never use.

Finally, we rigorously manage every element of our ships and guest experience with you in mind, so we can pass significant savings straight on to you every time you sail with us.

*"We love the free excursions in every port
and all the included drinks and specialty coffees.
It means no more expense."*

Barbara P, Viking Guest

TECHNOLOGY & THE ENVIRONMENT

Technology that respects the world we explore

At Viking, we are conscious of our responsibility to the environment and the regions through which we sail; thus, our ships are designed to the highest environmental standards. Our long-term success depends on our ability to develop programs that meet or exceed both the global regulatory frameworks as well as local regulations in the most vulnerable areas we explore, such as the Norwegian fjords or the Alaskan coastline.

Our vessels, though dependent on shoreside infrastructure and supplies, operate as self-sustained entities, capable of providing electricity, water and waste treatment facilities. The careful management to minimise our environmental footprint is essential and all our vessels are designed to be environmentally responsible and efficient to operate. While each vessel class has specific operational characteristics, some key principles can be found across our entire fleet.

PROPELLER, VIKING JUPITER

AQUAVIT TERRACE

ALL VIKING OCEAN SHIPS come with the best Energy Efficiency Design Index (EEDI)* rating of their class, and they exceed the 2025 International Maritime Organization (IMO)'s requirements by almost 20%. Key features of the ships' energy-efficient design include:

SLEEK HULL DESIGN. From the bulbous bow to the "duck tail" platform at the stern, our ocean vessels have been designed with energy-efficient hulls, propellers and rudder arrangements to reduce resistance in the water and therefore reduce fuel consumption.

EFFICIENT USE OF SPACE. On a ship, every bit of added weight results in extra fuel consumption. This is why we are careful to add only what is needed to our ships, prioritising optimal guest comfort and operational efficiency.

WASTE HEAT RECOVERY. This process works by recovering heat from the engines and utilising it as a free source of energy for heating water, thereby saving fuel.

INTELLIGENT HVAC SYSTEM. An automatic "Eco-mode" reduces power consumption when public areas and staterooms are not in use. Plus, water condensation created from the ship's HVAC system is reclaimed and used in the main laundry, further reducing the need for fresh water from external sources.

SHORE POWER. Our newest ocean ships utilise shore power where possible to reduce reliance on fuel while in port. This feature is already providing a reduction in CO2 emissions of up to 30% on some itinerary sections.

LED LIGHTING. The lighting instruments on board are more energy-efficient LEDs, utilising low wattage and therefore lower heat output, lower power usage and a longer life.

Beyond the technical aspects of the ships' design, Viking ocean ships are also equipped with the following features to reduce environmental impact:

ADVANCED RECYCLING & WASTE MANAGEMENT. Our entire fleet is equipped with advanced wastewater and ballast water treatment systems, as well as onboard garbage and recycling separation facilities to minimise the generation of waste and enable environmentally responsible recycling in shore facilities.

LIGHT REDUCTION TECHNOLOGY. We operate our vessels in a manner that minimises light pollution, reducing our impact on local communities and landscapes.

NOISE REDUCTION TECHNOLOGY. With no children and no casinos, the environment on board our ships is quiet and calm. Furthermore, we have technology in place to reduce potential noise pollution in the destinations where we sail.

EXHAUST CLEANING SYSTEMS. Our ocean ships were the first newbuilds in the world to be equipped with a closed-loop exhaust cleaning system designed so that pollutants can be stored on board and disposed of at suitable reception facilities ashore. Our newest ocean ships are also equipped with Selective Catalytic Reduction systems to virtually eliminate nitrogen oxides (NOx).

* Since January 2013, the Energy Efficiency Design Index (EEDI) was made mandatory for new ships, requiring a minimum energy efficiency level per capacity mile. This was the first legally binding climate change treaty to be adopted since the Kyoto Protocol.

SERENE SCANDINAVIAN SPACES

Comfort in every corner. A story in every space.

IN TRUE VIKING STYLE, we take a different approach to design on our ocean ships – so much so that if it weren't for the all-encompassing water views, you wouldn't know you were on a cruise ship at all. We engaged esteemed hotel designers to design and furnish our beautiful interiors, so that from the moment you step on board you will feel the same sense of serenity, warmth and comfort symbolised in the Norwegian concept of hygge. This notion of quiet contentment is in the very air of our light-filled, serene spaces, which together create a true home at sea for our guests.

TIMELESS STYLE

Minimalistic, sleek and modern yet textured, warm and inviting, our signature Scandinavian style imbues every space on board, in a showcase of calming symmetry, exquisite craftsmanship and an abundance of natural materials. Our graceful rooms are equal parts beautiful and functional, and our public spaces are the perfect expression of a timeless design approach that is loved the world over.

THE LIVING ROOM

THE WINTERGARDEN

THE RESTAURANT

NORDIC INSPIRATION

With inspiration pulled from the exploratory spirit of the original Vikings, you'll encounter our Nordic heritage in every storied space on board our ocean ships. Clean lines, warm blonde joinery and touches of slate nod to our forbears' connection to the natural world, while leather and colourful woven textiles recall the patterns of early Norwegian craftsmen. A clinker-built bar pays tribute to the Viking longships of yesteryear; the Explorers' Lounge is a display of cozy pelts, Turkish marble, amber and pewter inspired by far-reaching trade journeys; and soothing, natural Swedish limestone and fragrant juniper wood abound in the Nordic Spa.

"Relaxing in the Explorers Lounge with a book, a coffee and snuggling into a reindeer skin on the lounge. Sea on the horizon, heaven."

Marie N, Viking Guest

IT'S ALL IN THE DETAILS

It's the little things that make our ships feel like home

AS YOU SETTLE IN ON BOARD, we encourage you to take a closer look around. Because we know that it's the little things that make the biggest difference when you're away from home, we have designed our ships down to the finest detail. The floor-to-ceiling windows found throughout the ship ensure our guests are immersed in their destination from dawn 'til dusk, and we purposefully face many of our sun loungers outward to provide further opportunity to soak up the sweeping sea views.

Every onboard feature has been chosen with purpose, and every design flourish holds a tale that can be traced back to our Nordic heritage. The warm, Scandinavian-style Living Room is teeming with nautical touches and houses a clinker-built bar that nods to ancient Viking longships. In the atrium, you'll find a delicate Lichen garden under the stairs, sourced straight from the Finse mountains in Norway. And the design of each Explorers' Lounge across our fleet of ocean ships was inspired by a different explorer, such as former NASA astronaut Anna Lee Fisher – the first mother in space – who inspired the galaxy-themed lounge on *Viking Orion*.

MAMSEN'S CROCKERY

THE LIVING ROOM

Storied dining

The tableware at Mamsen's, our traditional Norwegian deli that is named after family matriarch Ragnhild "Mamsen" Hagen, is a replica of the china used in Chairman Tor's family home. After Mamsen passed away, the family found her century-old dishware, and engaged the original producer – Figgjo Norway – to replicate the pattern for Viking guests to enjoy as they journey across the oceans.

In fact, everything about our deli was inspired by Mamsen's love of sharing quality food with family. The dishes originate from Mamsen's very own kitchen, including her Norwegian waffle recipe, a guest favourite on board. To ensure the perfect result, the waffle irons used to make them are replicas from Mamsen's original kitchen.

Functional staterooms

After a lifetime spent living in hotels, our Chairman wanted to ensure every detail of our ships was elegantly functional. That's why our staterooms feature easy-to-read and open premium bath products, gimmick-free and intuitive remote controls, large and easy-to-access showers, anti-fog mirrors and heated floors. They also feature generous closets with plush robes and slippers, multiple US/EU power outlets and USB ports, and conveniently placed light switches.

Books by the best

Our incredible onboard libraries have been curated by prestigious London bookseller, Heywood Hill. This historic Mayfair bookshop specialises in creating libraries built around a personal passion or interest, and has curated collections for the British Royal family. The Heywood team spent many hours on board getting to know our guests, hand-picking the libraries for each Viking ship that would spark the curiosity of all who cruise with us.

Artful from stern to bow

Our ships are proudly peppered with one of the largest collections of works by master expressionist Edvard Munch outside of Oslo's Munch Museum. Combined with our thoughtfully curated collection of classic and contemporary paintings, sculptures, tapestries and photographs by renowned and up-and-coming Scandinavian artists, guests have access to a veritable floating museum of Nordic riches.

Ponder the replica *helleristninger* (rock carvings) – a nod to pre-Viking Age Scandinavia; admire the detailed Bayeux Tapestry, which tells the story of the Battle of Hastings; or be bewitched by Norse mythology under the Yggdrasil-inspired trellis in the Wintergarden, home to the Tree of Life and where the ravens Huginn and Muninn perch on the shoulders of Odin – the god of war.

DESTINATION- FOCUSED DINING

More variety and the most al fresco dining at sea

WE THINK BIG WHEN IT COMES TO SMALL-SHIP DINING. Not only do we offer eight dining options on board – all included in your cruise fare – but we also boast the most al fresco dining available at sea. With four restaurants, a Norwegian deli, private dining rooms and even a spot for afternoon tea on every ship, there's plenty of exciting culinary variety both indoors and out, every day of your Viking voyage.

We think that food is one of the best ways to experience a destination, so we make sure to take your tastebuds travelling when you're on board too. Our talented chefs are dedicated to creating unique dishes that reflect the destinations you are visiting, incorporating fresh ingredients sourced from local markets and suppliers at ports of call.

Our main dining venue, The Restaurant, features the widest menu choice on board, presenting fine cuisine amid a chic setting with sweeping views that make every meal all the more memorable. For something different, our alternative restaurants shine a spotlight on exciting regional specialties, while still catering to those western classic cravings.

Enjoy freshly prepared pasta and Chianti by the carafe at Manfredi's; international fare at the World Café; a multi-course tasting menu with wine pairings at The Chef's Table; gourmet burgers at the Pool Grill and afternoon tea and scones in The Wintergarden.

In a nod to Viking's heritage, our ocean ships even feature a traditional Norwegian deli, where you can enjoy delicious, light meals based on Torstein Hagen's mother's own recipes.

Oenophiles will be thrilled to know that vintage wines are always included with lunch and dinner, while after-dinner drinks, including rare Armagnacs, are available to purchase at our late-night bar, Torshavn.

With so many options to taste, sip and swirl on board, there is something to please every palate.

A TOAST TO YOUR VOYAGE

The perfect wine pairing and more atmospheric bars? We'll drink to that

WE KNOW THAT A REFRESHING BEER with lunch or a full-bodied red with dinner can really round off a perfect dining experience, so we make sure wine and beer are included in all of your onboard lunches and dinners. You can also enjoy soft drinks, specialty tea and coffee and bottled water throughout your journey, at no charge.

Perhaps you've picked up a gorgeous Beaujolais on yesterday's shore excursion and would like to enjoy it in the Explorers' Lounge or in your stateroom? Go ahead. You can bring your own wine, beer and spirits on board to enjoy anywhere on the ship, and we'll never charge you a corkage fee.

RECHARGE IN THE SPA

*Enjoy some 'me time' in
The Nordic Spa, at no extra cost*

EVERYONE DESERVES TO BE PAMPERED every now and then, and we make this easier than ever on our ocean ships by offering all guests complimentary access to The Nordic Spa facilities.

Our stylishly designed, peaceful onboard spa draws upon the holistic wellness philosophy of Scandinavian culture – a lifestyle rooted in finding synergy between physical, mental, emotional and social being. At The Nordic Spa you can give your mind, body and spirit what it needs, at any time throughout your voyage.

Wade in the calming hydrotherapy pool, detoxify in the steam room or meditate on the heated beds. If you feel like working up a sweat, embrace the true spirit of the Vikings with the centuries-old Nordic bathing ritual of hot-cold therapy to detoxify the body, relax tired muscles and boost circulation.

THE VIKING NORDIC BATHING RITUAL

Detoxify while breathing in the rich scent of pine in the wood-heated sauna, then stimulate your circulatory system by plunging into a cold pool. Revisit the sauna before experiencing ocean cruising's first Snow Grotto – where snowflakes gently descend from the ceiling through chilled air.

With a menu of optional spa treatments available, you also have the opportunity to leave your wellbeing needs to the experts. Book in with one of the Viking therapists and unwind with a deep tissue massage, uplifting facial or one of our many beauty treatments such as a blow-dry, manicure or pedicure. And with no sales pressure, you can truly relax. Why not treat yourself? After all, a Viking ocean cruise is all about feeling good, from top to toe.

CULTURAL IMMERSION

Destination-driven learning on board

ON A VIKING VOYAGE, exploring your destination's fascinating culture doesn't end when you leave each port of call. After decades of crafting itineraries for The Thinking Person that span the far reaches of the globe, we have developed a deep understanding of the unique, inquisitive nature of our guests – and the result is one of the most in-depth, highly curated onboard educational offerings at sea.

VIKING RESIDENT HISTORIANS

On every voyage, you'll be accompanied by a Viking Resident Historian, who provides guests with high-level, invaluable insight into the rich history of upcoming ports. Esteemed expert lecturers, trustees of archaeological and historical societies, leading consultants and museum curators, our Resident Historians are there to inform and educate on every leg of your journey. Find out what made the papacy return to Rome with a lecture in the Star Theatre, or

join a round-table discussion that examines how your destination's ancient government maintained law and order – there's always more to learn, and with Viking you'll learn from the best.

GUEST LECTURES

Viking's onboard lecture program is one of the most comprehensive at sea. Our world-renowned experts are professors from eminent universities, astronauts, diplomats and historical eyewitnesses with informative tales to impart about your destination's art, architecture, music, geopolitics and natural world.

PORT TALKS

Gain an overview of your next day's port of call through informative multimedia presentations covering the history and culture of your destination, as well as highlights of must-see landmarks.

An unexpected highlight were the destination lectures. These could so easily be dry and uninteresting, but the excellent speakers made them great fun and informative.
