

SOUTHEAST ASIA

MONK IN ANGKOR WAT,
SIEM REAP, CAMBODIA

The rivers of Asia have long been the lifeblood of civilisations, their banks shaping the course of dynasties and nations, creating trade routes that were old when the great powers of Europe were young. Asia of old lives along these shores, in the bustling markets, tiny villages and centuries-old temples that dot the ever-changing landscape.

Southeast Asia has its own unique character, defined by religion, culture, geography and eons of intricate history.

In Cambodia discover a complex merger of both ancient and modern worlds. Explore one of the most important archaeological sites in the world in Siem Reap, Angkor, and visit the largest Khmer temple, Angkor Wat, built in the 12th-century AD. In Phnom Penh, see the magnificent Royal Palace with its spectacular Silver Pagoda.

In Vietnam, spend time in the French-conceived colonial city of Hanoi. Visit the Ho Chi Minh Mausoleum and Hanoi's Temple of Literature. Enjoy the stunning beauty of the innumerable rivers and canals of the Mekong Delta stopping by the colourful Cái Bè floating market and witnessing local workers producing rice noodles, coconut candy and other handmade products.

In Ho Chi Minh City, admire the city's French colonial and Vietnamese architecture reflected in the grand City Hall and the Reunification Palace, shop in Ben Thanh Market, and explore the legendary Cu Chi tunnels.
