The first-ever true two-room suites on Europe's river ships

THE ULTIMATE IN LAVISH COMFORT. While other cruise lines call one large room a "suite," Viking Longships offer river cruising's first-ever true suites, each with **TWO FULL-SIZE ROOMS**. These outstanding spaces are among the largest two-person suites on Europe's rivers and provide commanding views, making our innovative Viking Longships the most desirable way to see Europe's great waterways.
